Dear Greg

We have known each other for a long time and I think I have really gotten to know you. We really have gone through alot this last summer and this school year. Mame, Oliver, and all those things I think you have got a wonderful talent and you should be continuing in it. I really do think you are a great and I also respect you for many things. I know I will see more of you and do have a great summer and mean it.

Although I've only known you for a short time (and you didn't even know my name) it's been fun knowing you. You're just about the kindest person I've ever met. The best of luck and happiness, always. Love Judy

Believe me, last year, when you told me what you wanted in life while you were signing my yearbook, I was confused. But now I have no doubts. Well, now I have no doubts. You can have whatever you want, out of today, with your talent & you're a great guy & I hope we'll always be the closest of friends.

Love,

Dear Greg,
I am not very
good at writing in

just say...

Much love to you!

Greg - Do you remember that fiasco at the beginning of the year - but I love chaos; Pygmalion was (for a loss for words) interesting? (which one?) But of the course the cast was the finest n'est-ce pas? How have we survived these god awful zero periods. I'M SICK OF IT!!! (now it's out of

think about the time of noon,

my system).

Hope the soft shoe digs it at TCU (I'm going away to school too - I can hardly wait) Summer will be far out a little crazy. rod mc kuen

Hey your party the other night was all right. Patrick was fantastic. Good luck 5

Greg

It has been a million laughs knowing you this last year. I shall never forget the hundreds of heart attacks I almost had, the time we all went to lunch at the park, and all the jokes we had.

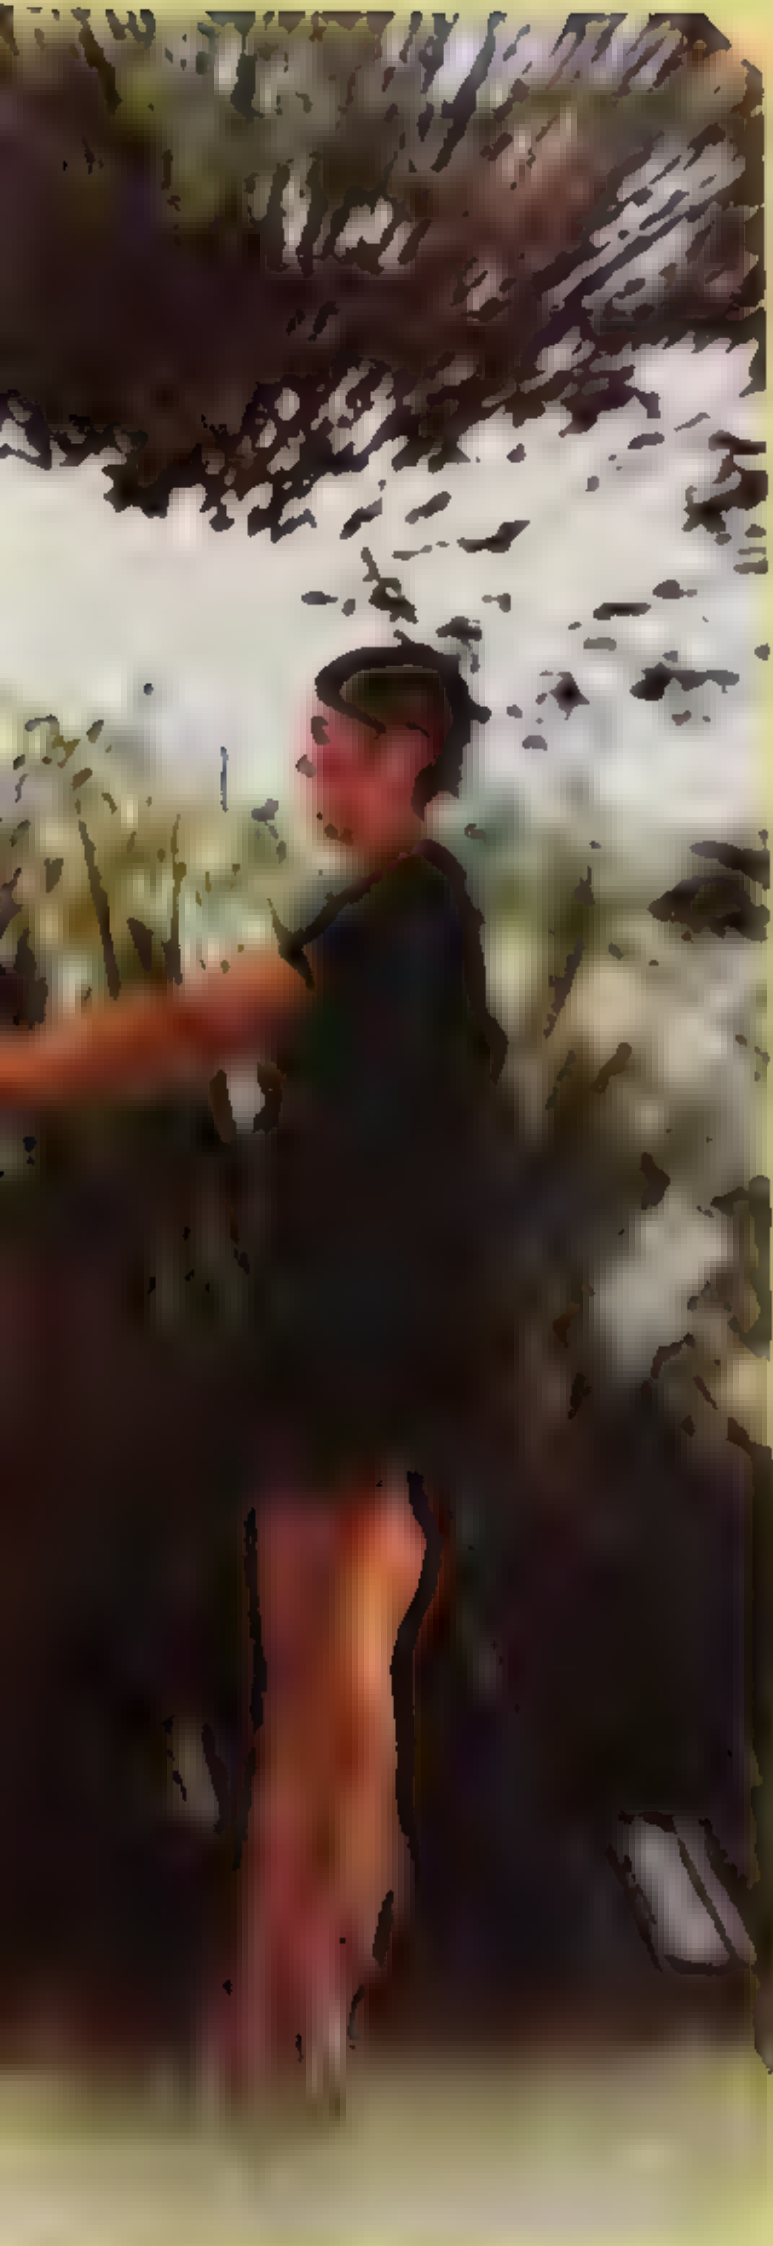

You are a very talented person and maybe someday when you become famous I'll say to my children, "I went to school with you."

I wish you all the success in your dreams, loves, and school work.

May God bless you always,

I think, my dear, that the
 most important thing in the world
 is to be able to love. I think
 that you have that ability and
 I think that you are using
 it to the best of your ability.
 I think that you are just
 beginning and that you will
 love you always.

Greg - You're a lil sweet-
heart, but I suppose you
hear that from alot of
girls. Mine was our greatest
get-together (meaning the
whole cast?) You did a fantastic
job that really didn't surprise
me at all. I enjoyed
being your Gooch as well
as your friend this year.
Why in hellos did you
have to be a senior? Oh,
like the sands in the hourglass,
are the days of our lives.

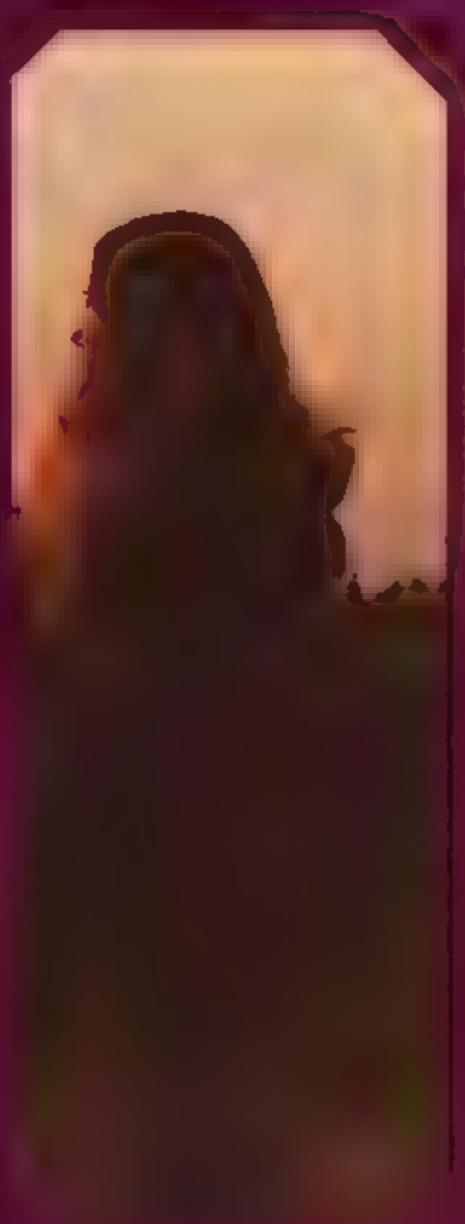

There's really not more
I can say because, Greg
words just don't come to
mind to express my
true feelings. So, I'll
just say this; you're one of
the warmest, happiest, most
sincere people I know.
Take care and may God
Bless you.

Greg. Well, the year is almost over, and it's almost time for us to get out of this place.

Sure 'been fun having you in Period one physiology this year. You sure did turn out to mess up the class (and most of the time you did)

Permit me to express a few words. I am
a "name" among you. I am a "name" among
smaller people.

I am not a "name" among you. We've
laughed & giggled at the word and we've
screamed for much more of Mrs. Brown's human-

that we've had a "name" get a "name"

I don't know you well enough, but I
will be a "name" about how great you are -
you're you - this is what I want.

that I'm no judge of character so
I can't tell you anything because I
might not be worth it - I'm not

they - you have you to do tomorrow. You know
way in the whole senior class. You know
that I can't wait until you hit the dog
times on Broadway cause I've told you that
at least one hundred times. Don't forget
that I still want my free tickets
when you get there. I hope that you
won't forget ~~get~~ me during your college
years because I definitely won't forget
you (how could I). Knowing me - when
you're on Broadway (I will say) "I
went to school with him!" And everyone
will say "sure." Good luck at Texas
Christian University. I know you'll do
well in everything thing that you try.
You were fantastic in Mame - I really
enjoyed it. I hope to see you every
once in a while over the summer
cause I'll miss you. We had a great
time in physiology dissecting cats &
shooting up chickens and singing
"What's new? pussycat!" Mr. Lash will be
glad to get rid of us. You're really a
fantastic guy and I really enjoy
your company and laughter and
brightness. If you get a chance while

you're at college please try and drop
me a line - here's my address - 2228
alta Vista Drive, Newport Beach, Cal 92660.

Be good and stay cool.

Love you always and forever

lowdy,

Three cheers for the mouse
that roared! You know, I think that
mouse was a ~~great~~ vocal mouse because
he sings and dances at Harbor High
and Laguna. Wow, neat! Anyway here's
luck to your career as a villain.

Well don't let your
head go up in smoke!

Dear,
 After many hours
 searching for a place
 to write something, I fell
 upon the small patch. I'll
 produce quite a few more like
 Cindy, Casey, and the Lash. Saw you
 in "Mama" and you did an absolutely fabulous
 job, and a pretty entertaining one too. Good luck
 in Texas, and in any more productions that you
 do. Be careful of fall women.

I haven't known you for a very lengthy time
but I feel I know you. Remember we were
reading your story, and you were making it
with all the new words and phrases ^{and} on
the new, old type. I hope you will
continue to write. I hope to see you in
the future if not I will. I hope you are
working hard. I hope you are happy.
I hope you are healthy.
Life.

Love ya,
Robert Anderson

Greg,

I met you last year in Mrs Ward's class, but I
didn't really get to know you very well. Remember we
were the only sophomores in there? Well, I guess I got
to know you better during "Mame" than any other time.
It was fun working with you, what little I did.
I know that you're going to be a wonderful
dancer, you already are. Make the most of
your life, it's worth it.

Love Always,

Wendy Leonard

Dear Greg,

You are on your way up - Don't stop now, don't fall back to that squiggly lil' bopper who drove me up the walls long ago last year. I can't begin to thank you for the magnificent job you did as Patrick in Wame + for all the excitement & joy you've added to my life. You have a superb talent. That I will + be grateful for it + success will always be yours. I'll keep tabs on you so remember all those things I've tried to pound into your head and I'll be proud of you forever.

(Greg one more thing honey, good luck at college and you're the most

loveable guy I've ever met I love <

✓ Sweet heart - Good Looking you guy!

Dearest Greg, my sweetie,

(CA. (maBach)

As you know you are the sweetest & most
wanted & loved & I've ever met you so proud
you've got him back & I want one & maybe in
future years sweetheart we'll do a show together
in Broadway for sure Good luck in your
career we'll both make it for certain. All you
need is discipline - you got it I'm getting it. I love
you very much Greg honey. I'll sell
you for sure in 10 or 15 years. Be a star & love you

To my little brother: Hi Greg: We have been very close friends for 2 years now. Except for a while there things were pretty bad between us. I mean that fight we had was pretty bad. I will never forget it; for it will always be in by subcon forever. But we started over and I know that we would of been closer if it wasn't for that fight, but we are not doing so bad right now. Now we haven't been to a Rix in ages. we better go to one soon before we forget what it looks like. This summer is really going to be far out because I will be working some where, hopefully in the Mall at Fashion Island. I hope that you make it back to New York and I want you to have a good time at Texas Christian and meet some really super people. We must keep in touch with each other in the winter and maybe we can see each other on a semester break. We have had some really good laughs at Jonan and with Cindy and Mary. Are Senior year had to be the year of school ever - had so many free periods this year and had fun sleeping in Senior Square. Taking off when ever I didn't have a class. Cindy and I had a really great time at the San Diego zoo on May 28, (1971) It was fun aggravating the Monkeys. I must say ~~we~~ we made pretty fast time on the way home from the Shakeys Pizza Parlor.

in San Diego. Since we didn't go under
90 miles an hour (don't try to deny it either) I
don't know if I am going to Grad-Nite
or not probably not - I think I am going
to celebrate it with Bill. Go to it
and get smashed - and have a jolly old
time. I can't wait for the Debutante
Ball June 18. Have fun Next Year

Greg (Oleary)

Greg: All I can say is
I wish I could be the same without you
and talent in acting & dancing is fantastic
which is good as it will make up for
messy off direction.
